

# ***Manifesting the Dream with We, The World***

A project for MLK National Day of Service and 40 Days of Peace

In partnership with Compassion Games International

<https://WE.net> - <https://WE.net/MLK-program>

Inspired by the **25th Anniversary of the MLK National Day of Service**, and **MLK 40 Days of Peace**, 7 “Sub-Teams” of **We, The World**, with leaders from across the country, took action in a variety of ways to carry forward the Work and Legacy of Dr. Martin Luther King Jr. in the 21st Century. Working sometimes independently sometimes together, these 7 “WE Teams” created Community Service Projects, produced Interactive Broadcasts, Workshops and other activities that Inspired, Informed, and Involved over 15,000 volunteer participants, bringing forth words and actions of peace and love to the people of The United States and to the World.

We began our **MLK 40 Days of Peace Project** on January 15, 2020, by participating in an **MLK Online Birthday Celebration via Zoom** hosted by **Jon Ramer** and the **Compassion Games** that had over 5,800 Participants. We, The World’s Direct Reach was 3,693 and our Indirect Reach was 34,488. This was followed by We, The World’s “**Manifesting the Dream**” **Opening Interactive Broadcast** on January 20, 2020, to celebrate the **25th Anniversary of the MLK National Day of Service (MAKE IT A DAY ON, NOT A DAY OFF)** with over 5,200 Volunteer Participants, Direct Reach of 3,537 and Indirect Reach of 34,775.

**WE broadcast 8 events throughout The 40 Days of Peace with 20 Guest Speakers from 8 Organizations**

Thanks to the magic of social media, **WE** has been able to reach a huge audience - worldwide - via our broadcasts, correspondence and Global Unity Calendar.

With deep gratitude to our many dynamic members of our **CORE TEAM COORDINATORS** who have founded social justice organizations themselves, **WE** has greatly expanded the **WE Consciousness** that MLK himself spoke of in his too-short time on Earth during the turbulent era of the Civil Rights Movement.

This report documents the service activities created by these incredible torchbearers who carry on in the spirit of the compelling message of Martin Luther King, Jr., who proclaimed, “I have a dream...”

## Other Manifesting the Dream Service Activities

### **Gina Anderson**

Participating in the MLK 40 Days of Peace, 40 Days of Service Campaign with We, The World, has been an honor and brings me Joy. Working as a WE Campaign Coordinator for Unity Campaign has helped me gain the knowledge skills and confidence needed to gracefully embrace the role of engaging and being of service in my Community, with pride. As MLK 40 Days of Peace began so did my journey of working with my daughters school as a Family Involvement Team member at Omak Middle school, balancing the goals of MLK 40 Days of Peace Campaign and the needs of Omak Middle School has been a perfect fit.

### **40 Days of Community Service & Volunteer Pledges**

#### **Honoring and Remembering MLK Jr.'s Legacy, Promoting Kindness, Family Connection and Unity in Our Community Omak Middle School Dinner Event**

On January 21, 2020 Omak Middle School in collaboration with the new Family Fit Team, hosted Taco Tuesday Family Night @ Omak Middle School. Activities included Family Dinner-Soft Tacos with Works, Family Connection & Interaction, Plus 5 Door Prizes of OMS Merch and Coffee Cards. A Volunteer Station was created to recruited parents to join Family Involvement Team, requested parents and family members to volunteer at OMS & parent and student input of important school values with prize drawing for box of chocolates- Won by Student: Karma YAY

In addition, a Family Resources Station provided information pamphlets from over 50 community resources to aid and assist our impoverished community. The Family & Student Need Station brainstormed and noted other community resources needed but not available, promoted and discussed the need for school levy to pass & surveyed parents about how OMS can support, improve & make changes for benefit of students and families.

The Student and Family Input Drawing for: #1 School Value or other input drew in many comments with the top #1 School Value being: Kindness, other comments include: no square pizza and no more bullies.

**Approx. 66 volunteers for 93 hours, and 30 people served.**

## Kindness Art

From late January through early February, Omak Middle School's Art Class Participated in a 3-week long project, Kindness Art. The project was for children to use chalk to color the outside of the school building with Kindness Art. The Project lasted for 3-weeks with a total of 5 Classes attended, around 20 Students in each class, and approx. 5 hours a week, for each student. This Project was a success, the Kindness Art Project helped each child to have time to think and discuss ways to be kind. Students were also happy to get outside. Students embraced the Project. We learned a lot altogether such as, not all students were felt comfortable expressing kindness, and some felt embarrassed to participate in activity this around their peers, this tells

us that our Students need more kindness in their days and learning about the importance of practicing kindness every day in our School and that showing kindness is popular and it doesn't look bad to be kind.

Approx. 100 Students Participated, 15 hours per Student

## Valentine Cards for Seniors

On February 14, Gina and 20 School children made hand-made Valentines for Seniors who live at Regency Care Center in Omak WA. Later that day Gina and her daughter Amalia hand delivered the Valentine cards to seniors who had just finished supper, at Regency Care Center, each person who received a Valentine had the biggest smiles on their faces. One man read his and repeated, saying "Sweet Memories," another man came up to Amalia and said, "hey You made this for me?" Amalia says, yes, and the man smiled. One of the gals said, "now this is a real Valentine," as she received her card. This activity was the best of all because we were able to see the difference we make when we volunteer.

1. [Judith McNelis](#) Wow! That was powerful! Beautiful, [ShaRon Rea](#)
2. [Kary Gómez de Camacho](#) [No Judgment. Just Love.](#) While the world and social justice has been back and forth, we need to keep working and improving our own personal world in order to keep going forward, our homes, our children, good deeds, and always unconditional help for the needed. I am so thankful for MLK and everybody who brings out the spirit for a peaceful world!
3. [Terrie J. LoCicero](#) · 5:18 ShaRon, thank you so much for doing this event! I've become so cynical about the capacity of most humans to rise above differences of any kind.
4. [Kevin Lincoln](#) · 4:26 I have a dream where there is a level playing field and we are all treated equally!
5. [Karen Palmer](#) · 2:30 Awesome information thank you for this sharing everywhere
6. [Rosaida Surman](#) · 5:46 Awesome ShaRon ❤️👍🙌
7. [Lara Palles Shemen](#) What can I read or watch with my kids tomorrow? 10,8 and 4. Any suggestions? Hi Lara Palles Shemen I found this video on YouTube. "Our Friend Martin" Elementary level. It's only an hour long and has good comments about it. I watched a bit of it and liked what I saw, however I would suggest you screen it yourself before you watch with your children. I think it might be a good history lesson and conversation starter! (: <https://youtu.be/woWoZSyO12c> [Lara Palles Shemen](#) [No Judgment. Just Love.](#) We loved it. Turns out it's full of huge celebrities: Samuel L Jackson, Whoopi Goldberg, Susan Sarandon. It came out in 1999 and was released straight to video. The animation and format was similar to Magic School Bus. This was easy enough for my 4 year old to be engaged and at least understand the basic concepts. The boys 'got it' though.
8. [Janet E. Moore](#) [ShaRon](#), your sharing of MLK's legacy is appreciated, and I must say, YOU, my friend are an outstanding orator... one of your many gifts! I have to find a balance btw listening and absorbing the information while basking and losing myself in your delivery! Carry on! ❤️+

I AM AN EXTREMIST for **No Judgment. Just Love.** 💚

MLK Quote - "So the question is not whether we will be extremists, but what kind of extremists we will be. Will we be extremists for hate or for love? Will we be extremists for the preservation of injustice or for the extension of justice?"
